

### Things to Know When On The River

1. Pack out all your trash
2. Lock your car and hide your valuables at shuttle sites
3. Respect private property
4. Be prepared for rapidly changing weather
5. Some sections are exposed, with no shade or protection from wind
6. Water is only available at Sites 1, 4, 9,&12
7. Camping is allowed only at Site 4
8. No fires are allowed at any time
9. High water is very dangerous on this stretch of the river
10. You must exit the river at the WanawishPortage
11. Bike/boat rack is available for secure shuttle storage at Sites 2,4,6,8,10,& 11

### Life jackets are required!

RCW79A.60.160 requires that vessels of any length be equipped with a PFD (Personal Floation Device) for each person. PFDs must be worn by children ages 12 and under when on the water.
