

Pamela and Scott Woodward Conservation Scholarship

The Pamela and Scott Woodward Conservation Scholarship was created by Tapteal Greenway in 2016 in honor of the years of dedicated service to the local community by Pamela and Scott both as teachers and as active members of Tapteal Greenway. The scholarship and its endowment are managed by the Three Rivers Community Foundation.

This \$1,000 merit based scholarship will support college students (entering and current) with a demonstrated commitment to natural resources conservation through their coursework and/or community involvement.

The current endowment is adequate to support just one annual scholarship award. We would like to increase the endowment to allow us to Double Our Impact – either by awarding two \$1,000 or one \$2,000 scholarship each year.

Tapteal Greenway is a 501(c)(3) nonprofit and will provide a charitable donation receipt for all donations.

Please make checks payable to **Tapteal Greenway** and indicate **Scholarship Fund** in the note field.
